

441—155.3(235A) Project eligibility. In any year in which the department contracts with an agency or organization for the administration of child abuse prevention program funds, the contractor shall award the amount of funds specified in the contract for the purposes of matching federal funds to purchase services relating to community based programs for the prevention of child abuse and neglect and of funding the establishment or expansion of community based prevention projects or educational programs for the prevention of child abuse and neglect. Funds for the program or projects shall be applied for and received by community based volunteer coalition or councils.
